General Directions Issued in the Committee Meeting Held on 19/06/2026

1. Please coordinate with all outer zones if the Centralized Flood Control Cell operating at Banipark Fire Station is unable to meet the requirements of the outer zones. In such a case, the respective outer zones should initiate tenders for flood control arrangements to ensure adequate preparedness during the rainy season. Necessary directions in this regard must be issued by D.E.-1, 2, and 3.
2. Wherever a work proposal includes both civil and electrical work, a single combined estimate for both civil and electrical works shall be prepared and submit for A&F proposal.
3. With immediate effect, estimates for rural road works shall not include drain construction works. Any proposal containing drain work along with rural road estimates will not be considered for approval of A&F in future.
4. All concerned officers and technical staff shall ensure strict compliance with the above directions while preparing and submitting estimates and project/works proposals for A&F.

The meeting ended with vote of thanks to the Chair.

(Sanjay Poonia)
