

JAIPUR DEVELOPMENT AUTHORITY, JAIPUR

Minutes of the 66th meeting of the Traffic Control Board held on 01-07-2011

The 66th Traffic Control Board meeting was held under the chairmanship of Jaipur Development Commissioner on 1st July, 2011 in 'Manthan' Hall Conference Hall of JDA.

List of Officers attended the meeting is as per Annexure 'A'.

S.No.	Agenda Item	Issues (Decision taken in earlier meeting)	Decision Taken	Action to be taken by
	<u>63.2 Shifting of private bus stands:</u>	<p>It was apprised that one location near Sikar Road Truck Terminal has been identified. Status of land is being verified.</p> <p>Board directed that lands at other locations be identified soon.</p> <p>- Identification of land for JCTSL, Jaipur in for direction of the city for the development of depots and parking facilities to the tune of 5-6 Bigha land on each side.</p>	<p>Board directed that possibility be examined for using Bhankrota site for combined use i.e for JCTSL & private bus operators. This be done by 08.08.2011. The Transport Deptt. was directed to furnish requirement of land for private bus terminals by 31.07.11. Assessment for land be sent for depots considering present bus population and future growth. The land for private bus depots shall be identified on all 5 major roads viz Delhi, Sikar, Ajmer, Tonk & Agra Roads.</p> <p>Board also directed that a team be sent to Ahmedabad headed by Director(Proj.) to study bus terminal with possibility of commercial use and their execution on BOT basis.</p>	AC (Lands), Dir.(TP), JDA, RTO, Jaipur
	<u>Parking facility in Commercial complexes:</u>	<p>➤ The rates approved by the 57th meeting of the Traffic Control Board be enforced strictly in all the commercial complexes. Informatory boards may be provided at the entrance of commercial complexes showing the detail about parking place and rates to be charged from various vehicles.</p>	<p>Board directed that decision should be enforced after due examination of legal basis for the decision. Also feasibility of installing electronic devices for fee collection should also be looked into.</p>	Dir.(Engg.), JDA

	<u>Other Items</u> :	<p>After considering the agenda placed by DCP (Traffic), the Board decided as under :</p> <p>Violation of land use and parking norms by the owners of Marriage Gardens should be checked and their license be reviewed accordingly.</p> <p>Board directed that such license be reviewed accordingly.</p>	<p>Officers for JNN apprised the board that policy has been framed and will be implemented soon after due approval from the Govt. The bylaws shall be put up in next TCB.</p>	CEO, Nagar Nigam Jaipur
	<u>Traffic Improvement in Jaipur city.</u>	<p>Present status of various works undertaken by JDA related with traffic improvement was perused by the Board. A joint campaign comprising of Traffic Police, Enforcement Wing of Nagar Nigam and JDA and Technical Offices be organized to remove the temporary encroachments of mobile vendors, thelas etc. from important locations of the city.</p>	<p>JDA has awarded consultancy work to UMTC for decongestion of walled city.</p>	JDA, NNJ
	<u>General issues raised by DCP Traffic</u>	<p>Improvement and development of slip lanes.</p> <p>- Possibilities be explored for improvement of junctions and slip lanes on various road junctions suggested by DCP Traffic.</p> <p>It was apprised by the Dir. (Engg.) that survey of junctions got done and planning of most places done by Dir. (TP) JDA and Traffic officers shall see feasibility at ground and prepare action plan.</p>	<p>Dir (TP), JDA apprised to board that proposals at 30 locations have been finalized and agenda will be put before PWC for approval.</p> <p>Progress shall be apprised in next TCB.</p>	Dir (Engg.) , Dir (TP) JDA
	<u>Other Items</u>	<p>(i) Possibilities of Underpasses on Delhi, Sawai Madhopur Rly. Line for two wheelers is explored.</p> <p>It was apprised that railways have been written again to consider the proposal. Reply awaited from Railways.</p> <p>(ii) The proposal given by DCP Traffic was agreed in principal for providing 16 Cameras. It was decided</p>	<p>Board was apprised that RUB at JP Phatak has been approved by Rlys and construction work is in progress. Proposal of under pass on Kalyan Nagar Rly crossing on JP – SWM Rly has been sent to Rlys for consideration & approval. Board directed that matter be taken up through commissioner (rly co-ordination), UDH deptt, GOR.</p> <p>DCP (T) apprised the board that specifications have been provided to</p>	<p>Dir(Engg.), JDA</p> <p>Dir (Engg.) , JDA; Dir (Fin) JDA, DCP(Traffic)</p>

		<p>that DCP Traffic will provide specification, costing and conditions of bid to JDA for arranging them.</p> <p>Board again directed that DCP (Traffic) to provide details as per the decision</p>	<p>JDA. Board directed JDA to provide Rs. 1.0 Lacs to AC (Traffic) for purchasing digital cameras.</p>	
64.4	<p>Construction of elevated road connecting B-2 bypass with New Sanganer road Jaipur.</p>	<p>After considering agenda presented by Executive Engineer (Project -5 & TA), the Board directed to explore the possibilities to pass traffic on existing road by using the remaining part of ROW and proposal be put up in next TCB.</p> <p>It was apprised that by the Dir. (Project) that the road is proposed in BRTS corridor.</p>	<p>Board directed that alternate routes for heavy traffic be explored. Routes via Ajmer road- Jaisinghpura -Muhana and via Sanganer- Maharana Pratap Marg be examined. A site visit should be made by Dir.(Project), JDA and an appropriate view will be formed thereafter.</p>	<p>Director (Project) JDA Jaipur DCP (traffic), RTO Jaipur</p>
64.6	<p>Diversion of heavy traffic for the construction of Gurjar Ki Thadi Underpass.</p>	<p>After considering the agenda presented by Executive Engineer (PDC II), the Board agreed to implement the traffic diversion after providing railing to safe guard the local rehabitents of the area.</p> <p>It was apprised that by the Dir.(Project) that DCP (Traffic) will allow traffic diversion within 3 days</p>	<p>It was apprised that part diversion was effected from March-11. Board directed the traffic police to provide the required traffic diversion at the earliest.</p>	<p>DCP(Traffic), Dir(Project), JDA, Jaipur</p>
		<p><u>Other Issues (Raised in 65th Meeting) :</u></p> <p>1. <u>Area Traffic Control System :</u> It was decided that phase wise proposal be put up by the DCP. (Traffic) and JDA will take action accordingly on other major roads of city.</p> <p>It was apprised that by the Dir. (Engg.) that Rs. 334.35 lacs has been sanctioned by JDA. The Board decided to include DCP (Traffic) in finalizing specifications of the work.</p>	<p>Board directed that possibilities of employing the automatic challan system be examined and efforts be done to implement the system early if found suitable.</p> <p>A team of JDA & Traffic Police may visit cities where this system is reported to be working.</p>	<p>DCP (Traffic) Dir (Engg.), JDA</p>

Reconstructing of routes of JCTSL Buses/ Mini Buses	Board directed that such routes be incorporated with Metro Planning. It was brought out that BRTS is an independent system and can not serve as feeder to Metro. However board directed Metro to provide details of the routes and stations maturing and their time so that necessary coordination and synchronization can be planned.	Board was apprised that Metropolitan Authority is already constituted.	JMRCL, Jaipur, Director (Project), JDA, Jaipur
Interchange facilities with other mode of transport	Board agreed the proposal. Board agreed the proposal and directed JDA and NNJ to provide information required.	Board directed that the consultant to Metro shall prepare plan and give presentation before next TCB for approval. JDA shall spare land after the approval.	Dir. (Engg/ Project/TP) JDA, JMRCL & JCTSL
Linkage of Multi level parking at Ram Niwas Garden with Metro corridor	Linkage of Multi level parking at Ram Niwas Garden with Metro corridor Board directed to explore the possibility for construction of underground parking by JMRCL near Metro Station side. JDA shall provide land in Ram Niwas Bagh		
Diversion of Traffic and up gradation of alternate roads during construction of metro rail corridor	Diversion of Traffic and up gradation of alternate roads during construction of metro rail corridor It was apprised that JDA is improving Hawa Sadak, Nandpuri road and New Sanganer road. Board directed that remaining roads including removal of electric poles etc. be taken by the JMRCL, as part of their project.		
	<p><u>Other Issues :</u></p> <p>1. The representative of NNJ in the meeting could not explain /furnish compliance on decision taken in earlier meeting related with NNJ.</p> <p>Board directed C.E.O. Nagar Nigam to either attend T.C.B. meeting personally or designate one nodal officer for TCB meeting so that record can be maintained with one officer and compliance of issues related with Nagar Nigam can be apprised to TCB.</p>	Board noted the suggestion.	CEO, Nagar Nigam Jaipur

	<p>-DCP(Traffic) suggested various issues as under</p> <p>Board agreed the proposal submitted by DCP (Traffic) and directed to examine /execution on above proposal.</p> <ol style="list-style-type: none"> I. Construction and Improvement of slip lanes at various places. II. Construction and improvement of parallel and link roads. III. Construction of railing along various roads. IV. Removal / improvement of various circles. V. Improvement and redesigning of various circles. VI. Construction of central verge /median on various roads. VII. Comments of Traffic Police on multi storey buildings before its approval. VIII. Regarding license cancellation where parking not available. IX. Removal and replacement of electric transformers obstructing traffic. X. Regarding construction of speed breakers at various roads. XI. Placement of cantilever type traffic light. XII. Regarding fixing of speed limit boards on main roads. XIII. Regarding no parking and other sign boards. XIV. Regarding fixing of boards on Bus stands. XV. Regarding road marking on roads. XVI. Regarding reflectors on road cuts. <p>- DCP. (Traffic) desired some signage boards.</p> <p>The proposal was agreed by the board and it was decided that DC (Traffic) will provide consolidated proposal and JDA will provide funds accordingly.</p>	<p>Board directed JDA and NNJ to take up and facilitate different traffic improvement and traffic control proposal as proposed by traffic police. Agenda for approval of various slip lanes shall be put up by planning wing in PWC. JVVNL was directed to shift the electric transformers hindering traffic at the earliest. Progress shall be reviewed in next TCB.</p> <p>Board was informed that JDA is planning integrated project on signage in the city.</p>	<p>DIG, JDA, Dir. (Engg./Project), JDA, DCP(Traffic), C.E.O. NNJ, Chief Engineer JVVNL, Jaipur,</p> <p>DCP (Traffic) Jaipur, Dir (Engg.)</p>
--	---	---	--

<p>66.1 – Shifting of dairy booth from the road corner of C-Block Vaishali Nagar.</p>	<p>It was apprised that a dairy booth located at the corner of road from Vaishali Circle to C-Block of Vaishali Nagar is hindering with visibility of traffic movement. This need to be shifted.</p>	<p>Board agreed with the proposal and directed NNJ to relocate such booths and in future permission be issued after proper examination of locations.</p>	<p>CEO, NNJ</p>
<p>66.2 – Different proposal by traffic police Jaipur for traffic improvement and safety.</p>	<p>Agenda No-1 :- Traffic improvement works to be done at accident prone areas. DCP (T) apprised that they have identified the 20 location of accident prone area in phase-I in east, west, north and south of city which needed urgent attention. The work required at each location has been identified.</p> <p>Agenda No 2 :- Accidents taking place in the BRTS corridor, Sikar road. DCP (T) apprised that previously there were guards to check the entry of unauthorized vehicles inside the bus corridors. But after their removal vehicles other than the BRTS buses rushes in to the corridor, specially in functional hours, and has caused a number of accidents and death in some cases.</p> <p>Agenda No-3 :- Additional safety measure to be taken up in on going Metro route work. DCP (T) expressed concern over inadequate light and signage in the Metro work that is being done in the center of road.</p> <p>Agenda No 4:- Ramp at footpath for disabled. DCP (T) conveyed that disabled people face difficulty while negotiating footpaths in jaipur city. He proposed that in phase-I Johari Bazaar, Choura Rasta and M.I. road may be taken up to provide ramps in the footpath.</p> <p>Agenda No-5:- Construction of service roads and railing on both side of main carriageway in residential areas to check the accidents. Agenda No 6:- Construction of median on few important roads.</p>	<p>Board approved the proposal put forth by DCP(Traffic). Board directed that the concerned departments to take up the work immediately. Concerned shall report progress in next TCB.</p> <p>Board directed that JCTSL to redeploy the guards urgently. Necessary signage be installed immediately. And any other safety measure required shall be taken without delay.</p> <p>Board directed DMRC to provide proper reflectivity over barricades and also keep that at proper eye level of drivers. Board also directed that light on the barricading be installed in 3 days.</p> <p>Board directed JDA/ NNJ to take up the work immediately. The break in footpath should be gradually sloped on either side to facilitate convenience to physically challenged.</p> <p>Board directed JDA to take up the work in phase-I on 3 roads as per suggestion of DCP (T). Board Directed JDA to examine the feasibility and take up the work.</p>	<p>Dir (Engg./ TP) JDA, DIG, JDA, Jaipur.</p> <p>Dir (Project), DIG, JDA Jaipur.</p> <p>JMRCL</p> <p>CEO, Jaipur, Dir (Engg.), JDA</p> <p>Dir(Engg), Dir(TP),JDA</p> <p>Dir(Engg), Dir(TP),JDA</p>

	<p>Agenda No 7 - Installation of different roads information board and other traffic signal & signage</p>	<p>Board directed JDA and NNJ to take up the work. JDA also apprised that necessary planning has already been done to maintain road signage and painting on one similar pattern</p>	<p>CEO, NNJ, Dir(Engg), Dir(TP), JDA</p>
	<p>Other items</p> <p>The advocate general, Govt of Rajasthan briefed the board regarding steps to be taken for traffic improvement in Jaipur City in light of the case Lekhraj and other in Hon'ble supreme court of improvement of amenities. Following some major suggestions were made.</p> <ul style="list-style-type: none"> - Traffic management be implemented - Parking facility be improved - New parking spaces be created - Temporary encroachment be removed immediately - Car parking facility be modeled in Johari Bazaar with possibility of shuttle service from Ram Niwas Garden to Johari Bazaar - Footpath be made wheelchair friendly - Some roads be adopted for implementation of traffic management. 	<p>Board appreciated the suggestion of advocate general and expressed thanks for his concern.</p> <ol style="list-style-type: none"> 1. Board directed that new location for parking spaces similar to underground Ram Niwas Garden parking be find out. A committee for this be formed under the chairmanship of DCP (T) and comprising SE, JDA Sh. Tarun Sharma, Sh. M.P Meena Addl. CEO NNJ and Addl. Comm (Land), JDA who will submit its report within 30 days. 2. TCB Decided to make one road as model road. 3. The board decided to take one market-Johari Bazaar for <ol style="list-style-type: none"> (a) Providing parking sign & lines and monitor parking on hourly basis for visitors.
