Ownership of the buildings is not clear and therefore a combined final plot (FP) is given which can be later sub-divided. Appropriation is less than 55% due to pucca structures present on plot. Value of building is not considered as FP is provided over OP | | | | | | | | | | | |

Note: The value of the final plot might change due to the revision in cost of infrastructure at the time of preparation of the DPRs for various infrastructure proposals.
